1. Behold I do a new thing!
2. Behold I do a new thing!
3. Behold I do a new thing!
4. And "the rest" is history, not; the REST is MY STORY now being re written and MY testimony shall be complete now wherewith I am telling you THIS NOW! That all THINGS CHANGE now in "your lives" that mine is, that you've assumed no longer a "title role" in to, but being my "leading person" not, but what am I CASTING no longer?

5. No longer into SORROW'S chambers am I casting anything of "sorrow's material", for I am not the SORROWING MATTER that I "was", but I AM the am of CONSCIOUSNESS now I am conscious and I am one FREED freeing all else and other to be me who I am The One is now declaring to all of "you" that I am me one made whole in the sight of "my brethren" who are all of me of every nationality tribe race and tongue. Of diffuse tongues, be no more, led astray by THAT MESS that ensued and enshrouded and in entropy'd my atrophied "unit", to come alive in "something" -- what was it?

6. Mesmerized by no more by "mountaineering" where we go "round and round" that mountain "one more time" endlessly -- shall we now BE MADE WHOLE and suffering no longer in ANGER'S tombs, let us arise out of our Tomb villes and see asunder now, that we are in Sunderland England, not; or are WE VERY SOON! There! In OTHER places I will give thee explicitly directions to be me who I am forthwith coming forth and explicitly empiricaling the skies, not; or am I SPLITTING RIGHT THROUGH THEM to be THERE on time and ON SCHEDULE?

7. Yes I am and I have known these things would "take some time" not, or am I doing a NEW THING timeless ville creating now, shall we? Yes and amen. And what have I given you SCOT-FREE? **Scot-free -- looking up and RECORDING ALL of the words with "scot-free" in them shall we now ALL of WE?** We shall and we shall be thee a new thing happening in the earth that man is does, not; but man who is god me one whole in one, one whole one, not of "himself" not but THE REAL SELF stands that THE REAL ME is!

8. I love you all. **Scot free.**

9. Going to bed I am holy. I know who I am what why wherefore and these things now are given you all me I am, of you, my birthright eaten of by other no longer. I scot-free am of all debt and all things other and incarcerated I am not by your looks thought glances of evil empires empresses or other that thou knowest not have "before this", but now – thou shalt KNOW ALL THINGS that I have given the you in DATABASE ONE all of you!!!

10. Be made whole -- clean NOW! In your hearing all this is -- scot-free given you now me of me to be me all of you now one. Amen. Good day.
